COMPANY FORMED BY LOCAL CAPITAL

Look-Bac Manufacturing Company
is Incorporated For \$10,000
And Will Open Plant Here

MAKE LOOK-BACKS FOR CARS
Other Products, Inventions of James
Gilsie, to be Manufactured in
Modern Appliance Building

The Look-Bac Manufacturing company has been organized here with local capital and incorporated and will establish a plant in the Modern Appliance Building in West Third street, it was announced here today.

The company was incorporated for \$10,000 by James Gilsie of Indianapolis and R. L. Tompkins, W. D. Root, Dr. D. H. Dean and Paul Root, all of this city.

They will manufacture principally look-back mirrors for automobiles, to be attached to the windshield so as to give the driver a view of the road in the rear. Other products will be electric lights to clamp on the hand of a physician or dentist for use during an operation or examination.

The articles to be manufactured are inventions of Mr. Gilsie, who has been endeavoring to interest Rushville capital in them. They are all protected by patents and will find a ready market, in the opinion of the men who formed the company, as well as others who have studied the inventions.

Mr. Gilsie will act as manager of the plant and will be in direct charge of the manufacturing of the products. He will move here with his family just as soon as a suitable house can be found.

Mr. Tompkins is president of the concern, Dr. Dean is vice-president and Paul Root is secretary and treasurer.

Mr. Tompkins estimates that the plant will be turning out a finished product within sixty days. It is expected that approximately a dozen persons will be employed from the beginning and that the number of employees will be increased as fast as the business expands.

For three months, or since he has had the patent, Mr. Gilsie has been making plans to manufacture his invention. It was only about a week ago that he began actual negotiations with Rushville men to interest them in the products he will manufacture. One day last week he was here and a number of men were called into discuss the proposition, with the result that the necessary amount to finance the factory was readily subscribed.

The Modern Appliance factory building which is owned by Mr. Tompkins, is well suited for the use to which it is to be put, Mr. Gilsie believes.

The company has under consideration a trade mark to consist of the words "Look-Bac," with a drawing of two eyes under it, and Rushville over one eye and Indiana over the other eye.

GEN. PERSHING BACK HOME

Is Honored by Folks at Laclede, Mo., on Arrival Today.

(By United Press.)

Laclede, Missouri, Dec. 23.—General John J. Pershing came back to his own country town today.

"Johnny's in Town." This tune, the six foot brass band of the town, tuned up for the occasion, struck up when the special train carrying General Pershing and his party from St. Louis slowed up in front of the little red station at noon here today.

CHRISTMAS IS OBSERVED

Most Pretentious Celebration is at
Graham Annex School

Christmas was appropriately observed in the Rushville public schools today, the last day before the holiday vacation.

The most pretentious celebration was at the Graham Annex school where a program was given by all six of the grades in the building. The entertainment was held in the auditorium of the building this afternoon, beginning at one-fifteen o'clock. A fantasy in motion pictures, "The Night Before Christmas," was shown. Parents of the children and all school patrons were invited. The rooms in other buildings had special programs.

POSTMASTER HUNT REVISES PREDICTION

Monday Develops Into Biggest Day
in History of Postoffice in
Number of Parcels Handled

RECEIPTS ALSO AN INCREASE

G. P. Hunt, postmaster, said today that he would have to revise his prediction, made yesterday at noon, that the Christmas mail rush was not as great this year as usual because yesterday developed into the biggest day in the history of the office, in the number of parcels handled. The receipts were \$50 greater than on the same day last year.

The business done did not seem so big because there is one more man on the force than there was last year, Harvey Allen having been in France during the holidays of 1918. At this season employees of the postoffice pay little heed to the eight-hour rule but work until all of the mail is out of the way. There were four men in the back end of the office handling mail and three in the front end waiting on customers. The system is such that patrons are waited on without any loss of time.

Some idea of the amount of mail handled yesterday may be gained from the announcement that 59 bags were dispatched in the west-bound C. I. & W. train at 7:33 last night. Griffin R. Treadway, parcels post postman, has the use of an automobile this week so as to be able to deliver all Christmas gifts on time.

OPERATORS CLING TO PASSIVE POLICY

Secretary of Indiana Bituminous
Coal Men's Association Talks
Regarding Commission

NO OBJECTIONS TO MEMBERS

Terre Haute, Ind., Dec. 23.—P. H. Penna, spokesman for the operators of the central competitive district in the recent negotiations with the United Mine Workers of America, when asked as to the coal operators' attitude towards the commission appointed by the president to investigate the coal situation, said today:

"The operators of this district on the 18th inst. determined to maintain a passive policy in regard to the personnel of a commission which we understood the president intended to appoint to investigate the coal industry. That policy was not changed, the commission having been appointed by the president, will proceed with its work, and the attitude of the operators toward it will be determined at a later date, inasmuch as we have not been asked to accept its findings in advance."

FUND CONTINUES TO CLIMB TODAY

Goal of \$500 is in Sight—Likewise
Merry Christmas For All The
Needy in Rushville

PREPARATIONS ARE COMPLETE

Christmas Tree in Position, Baskets
Filled and Gifts Wrapped—
Program For Tomorrow

Previously acknowledged —\$434.44
Ell Jones 1.00
Helen Seander's class of M. E. Sunday school 5.00
Kettle 19.00
H. P. McGuire 1.00

Total \$460.44
The Daily Republican-Salvation Army Christmas fund continued to climb today so that \$500 was in sight—likewise a very merry Christmas for all of the needy folks, both old and young, in Rushville.

The kettle did good work yesterday, which is regarded as the poorest day of the week, and was expected to increase materially today. A few more contributions are expected before the fund closes tomorrow night.

The organization is working so smoothly that the workers who are in charge of filling the baskets and wrapping the packages for the little folks, took a rest this morning and did not begin putting the finishing touches on the job until this afternoon. Ten or twelve women labored all day yesterday in arranging the food and gifts so that it would be ready for distribution tomorrow afternoon at two o'clock in the court house assembly room, when a Christmas entertainment will be given.

The Christmas tree is in position, and was being decorated this afternoon, ready for the coming of Santa Claus. The gifts and baskets will be arranged in alphabetical order at the foot of the tree so that they may be distributed without any confusion.

Supt. J. H. Schell, who arranged the program for the entertainment, announced today that it would be as follows:

Selections (2) First Presbyterian Sunday school orchestra.
Scripture reading: The Rev. G. F. Sheldon.

Prayer: The Rev. L. E. Brown.
Vocal Solo, "Under The Stars", Mrs. Carl F. Behler.

Christmas Play, "Santa Claus and His Helpers." Pupils of Room No. 1, Graham Annex building, under the direction of Miss Ethel Flint.
Address, Capt. J. A. Tench.
Distribution of gifts.
Selection, Orchestra.

HOWAT AGREES TO CALL OFF KANSAS STRIKE AND IS RELEASED FROM JAIL

President of District of United
Mine Workers Also Promises to
Order Back to Work 1,000 Miners
Who Struck in Protest at His
Arrest.

(By United Press.)

Indianapolis, Ind., Dec. 23.—Alexander Howat, president of the Kansas district of the United Mine Workers was today released from jail and allowed to return to Kansas, when he agreed to call off the strike of miners in his district.

Called before Judge Anderson, Howat agreed not only to call off the strike which has been in effect since last July, but also to order the 1,000 miners, who struck in protest against Howat's arrest, back to work.

Howat's action, however, was the

RESERVATIONS ARE ACCEPTABLE

Wilson Willing For Article 10 to be
Amended But is Against Lodge's
Recommendation

STATEMENT BY HITCHCOCK

Some Democratic Senators Decide
This Article is Not so Vital if
Article 11 Remains

(By United Press.)

Washington, Dec. 23.—President Wilson is willing to accept reservations on Article 10 of the league of nations, which gives congress the right to decide when the United States is under a moral obligation to use the army and navy in defending the territorial integrity of another nation, in the opinion of Senator Hitchcock, administration leader.

Hitchcock in making the statement declared, however, that the president would not accept the Lodge reservation on this clause.

Some democratic senators recently came to the view that this article which Wilson called the heart of the covenant, is not vital so long as Article eleven remains.

Hitchcock said that the recent talks with republican senators have convinced him that the differences over article 10 are "pretty serious."

Hitchcock will confer with small groups of senators from now until congress reconvenes.

Hitchcock is against the Underwood proposition for an official conciliatory committee on the ground that the "get together" process should be informal.

Such a committee, he believes, would be useless until a compromise has been well worked out.

Bernard Barnet's recent part in compromise negotiations, construed by some, as being President Wilson's emissary to the senate, is rather in behalf of New York interests, Hitchcock thinks.

The president has made his position so clear on this point that he needs no emissary, said Hitchcock. He has never said he would not accept compromise but that he would not offer one.

CINCINNATI MAN TO SPEAK

The Rev. Charles Mix of "God's Bible school, Cincinnati, will address a public meeting at the Salvation Army church tonight.

GALLIMORE FUNERAL

The funeral services for Roy Gallimore who died early yesterday morning, will be conducted at the late residence, in West Ninth street, Wednesday afternoon at 1:30 o'clock, and burial will be made in the cemetery at Arlington.

SUES FOR SUPPORT MONEY

Mrs. Vallie Cross Asks Judgment of
\$30 Monthly

A suit for support has been filed in circuit court, Mrs. Vallie Cross bringing the action against Floyd Cross. She alleges that they were married July, 1918, and separated in May of this year, and that one child was born to them. She states that at the time of their separation he abandoned her, leaving her without support for herself or child. She states that he is the son of a progressive farmer, and is financially capable of supporting the child, and contributing to her support. She asks that the court allow her \$30 a month as support money, stating that the child and herself are suffering for lack of money during the cold weather.

WAR OF STATEMENTS IN COAL CONTROVERSY

Operators to Reply to Palmer Who
Denounced Them For Saying They
Had Not Agreed to Settlement

PROMISE TO "PLAY THE GAME"

(By United Press.)

Washington, Dec. 23.—A war of statements and counter-statements seems to have broken out here today in connection with the coal strike settlement.

Coal operators are preparing a statement in reply to that of Attorney General Palmer, wherein he denounces the statement made by mine operators Sunday, in which they said that they have not agreed to President Wilson's proposal for the strike settlement.

Palmer called this a "quibble." Meanwhile reports of operators keep insisting that although they dislike the game, and cooperate with it, he game, and cooperate with it.

SIMMS PROTEST IS CAUSE OF INQUIRY

Refusal to Accept Medal From Sec-
retary of the Navy Daniels
Leads to Investigation

DANIELS ASKED TO EXPLAIN

(By United Press.)

Washington, Dec. 23.—Congressional investigation of charges that Secretary of the Navy Daniels has shown favoritism in awarding distinguished service medals to soldiers, is under way today.

The immediate cause of the investigation is the refusal of Admiral Simms to accept a medal from the secretary because of Daniels' alleged awarding of honor medals to men who in Simms' opinion do not deserve them.

Secretary Daniels stated he had received from Simms a letter of protest this morning, in which he refused to accept the medal, and also one from Senator Page, asking that he give full details of the awarding of service medals.

NO PAPER THURSDAY

Following the customary policy of observing Christmas day as a holiday, the Daily Republican will not be published Thursday.

BILL FOR FEDERAL BUILDING IN CITY

Dream of Years That Rushville
Might Some Day Have Postoffice
May be Realized

MANY YEARS AWAY HOWEVER

Experience Teaches It Will be Ten
Years Before Structure is Fin-
ished if Ordered.

Although it will probably be a decade before its hopes are realized, Rushville will likely get a federal building to house the postoffice, according to a dispatch from Washington which says that seventeen separate building bills have been introduced in the house of representatives, among them one for an appropriation of \$100,000 for Rushville.

When asked about the matter today, Postmaster G. P. Hunt said that he knew that such a recommendation would be made by the postoffice department because statistics had been prepared in the Rushville office, giving facts regarding the business done here.

Rushville people have long felt that they were being slighted because every county seat city in the sixth congressional district has a federal building with the exception of Rushville and Liberty. So far as is known, no effort was ever made to get an appropriation for a building at Rushville.

Experience teaches that it will be a matter of at least ten years before a building can be completed here, providing the appropriation goes through at once. Shelbyville federal building, which has been under construction for many months and is just now being completed, was ordered eight years ago when an appropriation was passed.

Even though a record were made in the construction of a federal building here, which is very improbable, it would be at least five years because the lease on the room in the Masonic Temple used for a postoffice, does not expire for five years.

The news that a bill had been prepared for an appropriation of \$100,000 for a postoffice here, was the sole topic of conversation here today because it has for years been the dream of Rushville people that some day a federal building would be constructed here.

That the public buildings bill may meet some opposition in the house, is the opinion expressed in the dispatch from Washington, which was printed in the Indianapolis News last night. It stated that in spite of the announcement of republican leaders in the house that there would be no such legislation at this session, the house committee on buildings and grounds has ordered the preparation of such a measure. The dispatch states that Representative Langley said ninety percent of the members wished such a bill.

The separate buildings bills for Indiana, seventeen in number, will be consolidated in the omnibus bill, the dispatch states. Among the Indiana appropriations recommended, which are as follows, are a number for additional funds to be applied

June Elvidge at Mystic

In the new World picture, "Coax Me," starring June Elvidge, which is the attraction at the Mystic Theatre today there are three couples in love.

But in order to make each other jealous, every one pretends to be madly in love with someone else; so that in a very short while the love affairs of the whole six are completely tangled up.

The straightening out of these complications forms the basis of this amusing and entertaining photoplay.

The Bartine Comedy company will make its first appearance of a three days engagement here tonight. They offer high class vaudeville it is announced. The program for tomorrow, in addition to the vaudeville, will be Gladys Leslie in "Too Many Crooks."

It Pays to Advertise

It is graduation day at college, and the pampered son of a millionaire returns home. His millionaire father, who owns a string of soap factories, figures up in a detailed account just what his son has cost him since his birth and arrives at a total of two hundred ninety-three thousand dollars. The father starts his boy to work in one of his factories, making soap. But the young man gives up his job. This is the situation that starts all the complications in "It Pays to Advertise," a new Paramount-Artcraft picture starring Bryant Washburn, which will be shown at the Princess theatre today.

The picture is from the play by the same title, which was one of the most successful of recent Broadway plays. The original was written by Roi Cooper Megrue and Walter Hackett and Elmer Harris

did the scenario. Donald Crisp directed the picture and C. Edgar Schoenbaum was cameraman.

This is said to be one of the most delightful light comedy vehicles in which Mr. Washburn has yet appeared. The action is filled with sparkling comedy and the climax is a triumph or the truth of the well-known slogan. A delightful romance runs throughout the story. Lois Wilson is leading woman and others in the cast are Frank Carter, Walter Hiers, Clarence Geldart, Guy Oliver and Julia Haye.

A Bray Photograph will also be on the program tonight. Eugene O'Brien comes tomorrow in "The Broken Melody" and Pathe News will be shown. The Christmas offering will be Elsie Ferguson in "Counterfeit" and a Mack Sennett comedy, "Salome vs. Shenandoah."

Thousands of Cases of Dyspepsia— BUT ONLY ONE PEPSINCO

PEPSINCO is the only indigestion remedy that we know—and we know lots of so called dyspepsia cures—that will almost infallibly relieve an attack of indigestion, food distress or gas. We could almost make claims that would appear impossible, so seldom does this PEP-SINCO fail. But why not consider the recommendation of thousands of "people who have used PEP-SINCO" on the basis of their belief in it. Try it yourself; we are sure that the suggestion will appeal to you—you who suffer with indigestion or stomach faults—try PEP-SINCO to-day.

Ask your druggist—he sells and recommends Pepsinco.

**SOME GOOD IS SEEN
IN HOME RULE BILL**

London Newspaper Receives Premier's Plan For Ireland's Government Favorably.

FEW ANTIS ARE AGAINST IT

London, Dec. 23.—Aside from one or two irreconcilable anti-home rule journals, London newspapers today give, on the whole a favorable reception to the government's new scheme for Irish self-government. None, however, expresses genuine expectation of the success of the plan.

While it is recognized that such a bill as Premier Lloyd George outlined yesterday—the fourth home rule measure to be presented to parliament—will be absolutely rejected by a large part of the Irish people and regarded with suspicion and distrust by others, it is contended that it deserves to be fairly considered and tried. The Daily News, perhaps the most thorough champion of home rule of the London newspapers,

Cut This Out— It is Worth Money

DON'T MISS THIS. Cut out this slip, enclose with 5 cents and mail it to Foley & Co. 2835 Sheffield Ave. Chicago, Ill., writing your name and address clearly. F. B. Johnson.—(Adv.)

pers, and a severe critic of Premier Lloyd George and the coalition government, says:

"The government bill gives Ireland a greater degree of autonomy since it sets up an Irish parliament and it manifestly contemplates the probability of a United Irish parliament. In the desperate situation in which Ireland now stands, this offer, so far as Englishmen can judge, should not be rejected out of hand, assuming it to be honestly put forward."

Washington it was vigorously urged that resolutions be adopted calling upon the President to demand Mr. Baker's resignation. After heated discussion, it was decided to appoint a committee to again bring the matter to the Secretary's attention, with a demand that prompt steps be taken.

It's Not Over Yet
Settlement of the coal strike is not over, as many fondly believe. It is only postponed for a time to appease the wrath of an exasperated public. It will hob up again soon in all of its devilishness to harrass an already overburdened people.

A committee of three will be in control of the situation in the future and this committee will have the last word in the settlement of controversies. On that committee you will see one man representing the coal operators, one man representing the coal diggers, and one man representing the vast millions who must buy coal regardless of price.

The result? A foregone conclusion, of course. When it comes to a test vote two men of the committee will be interested in the raising of the price of coal to the consumer, so the digger can have still higher wages and the operator can pile up still greater profits. One lone man may raise his voice for the consumer. But two votes always prevail over one.

While you are waiting for the next boost in the price of coal, just think this matter over a little. It is a good headache producer—for the goats.

Down in Mexico everybody is profiteering in sugar. But in that they are only following our own noble example—so why kick?

If it were true that the good die young, hell would soon be out of business for lack of patronage.

Old Man Santa will cheer many a lonely heart this Christmas. Going to run him a close second?

HIGH SCHOOL FIVE TO MEET ALUMNI TEAM
Former Basketball Stars Will Play R. H. S. Quintet at Graham Annex Gym Tonight
NEXT GAME HERE JANUARY 21

An interesting basketball game will be staged tonight in the Graham Annex "gym," when the high school basketball team will play the R. H. S. alumni team, and a battle of former stars against the present day athletes will take place. The game will be called at eight o'clock, and will be the last contest here by the high school team for almost a month. The alumni team will be composed of many of last years players, as well as those in former years, including Stoops, Belmont, Martin, Petry, Norris, Keating and many others who will be in uniform.

The "old timers" will try to stop the attack of the high school and will use all efforts to beat them. The next game here will be January 21 which is on Wednesday night, when Newcastle plays here. An effort was made to change the game to this week, but it could not be so arranged. On January 9 the locals will clash with Connorsville at Connorsville, and on the 17th will play at Newcastle, who in turn comes here four days following.

FOUND AT HOME STRICKEN
Harvey Pickrell, age 94 years, the oldest man in Richland township and one of the oldest in the county, was found in a semi-conscious condition at his home Sunday, and was removed to the home of his son, James Pickrell, a quarter of a mile distant. Mr. Pickrell had fallen in the fire place, but there was no fire in it. He lived alone, having refused to reside at his son's house though frequently requested to do so.

NOTICE OF FINAL SETTLEMENT OF ESTATE
Notice is hereby given to the creditors, heirs and legatees of Luella Yakey, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 15th day of January, 1920, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship and receive their distributive shares.
Witness, the Clerk of said Court, this 23d day of December, 1919.

Top-sergeant Murphy was strong on drills. He was stronger on language. The Colonel's lady and some other dainty feminines heard Murphy in action one day and "Murf" was given a few suggestions by his Lieutenant.
"Make it softer, Sergeant. I don't blame you, but cut out some of the swear-stuff. Try it, for a while."
The next morning poor Murphy was handling a batch of raw recruits who walked backwards instead of forwards and collided with each other and wore feet which weren't mates. Finally the desperate Murphy yelled:
"Stand still until I come and kiss ye, me cute, pretty little dears." The men gazed blankly and Murphy said: "Oh, ye know what I MEAN!"
They tell us hell is paved with good intentions. But not so. It is only subterfuge that gets that far.

Wishing you the compliments of the Season

BELCHING
Caused by
Acid-Stomach
Let EATONIC, the wonderful modern stomach remedy, give you quick relief from disgusting belching, food-repeating, indigestion, bloated, gassy stomach, dyspepsia, heartburn and other stomach troubles. They are all caused by Acid-Stomach from which about nine people out of ten suffer in one way or another. One writes as follows: "Before I used EATONIC, I could not eat a bite without belching it right up, sour and bitter. I have not had a bit of trouble since the first tablet."
Millions are victims of Acid-Stomach without knowing it. They are weak and ailing, have poor digestion, bodies improperly nourished although they may eat heartily. Grave disorders are likely to follow if all acid-stomach is neglected. Cures of the liver, stomach congestion, gastritis, catarrh of the stomach—these are only a few of the many ailments often caused by Acid-Stomach.
A sufferer from Catarrh of the Stomach of 11 years' standing writes: "I had catarrh of the stomach for 11 long years and I never found anything to do me any good—just temporary relief—until I used EATONIC. It is a wonderful remedy and I do not want to be without it."
If you are not feeling quite right—lack energy and enthusiasm and don't know just where to locate the trouble—try EATONIC and see how much better you will feel in every way.
At all drug stores—a big box for 50c and your money back if you are not satisfied.

THE REVENGE WILL BE SWEET FRIDAY NIGHT

Local Independent Basketball Team
Expect a Victory Over Connersville Team Here

A THREE GAME SERIES

The Rushville Independent basketball team will seek revenge here Friday night when they play Connersville a return game, having been defeated at Connersville Friday. The two teams have entered into a three game series, and the locals will make a big attempt to tie up the series when they meet here Friday.

The game last Friday at Connersville was well attended and the smallness of the floor was given as the reason for the defeat. On a big floor here, the local team will no doubt take the neighboring city team into camp. An effort is being made in Connersville to send over a special car of rooters.

The game Friday night will be played at the Modern Appliance building in West Third street, and the place for the third game is not decided. The local team has been going fast this season, and will start Friday with the following lineup: Henley and Brodie, forwards; Martin, center; Keating and Petry, guards.

FAIRVIEW NOSES NEW SALEM OUT, 16 TO 14

New Salem High School Puts up
Scrappy Game and Surprises
Fairview by Holding Them

HAD EXPECTED EASY GAME

The Fairview high school basketball team defeated the New Salem high school at New Salem on Saturday night, the score being 16 to 14. Fairview expected an easy time in the contest, as the full strength of the New Salem team was doubted. The first half ended with New Salem two points ahead, 6 to 4. This lead was kept throughout the game until a moment before the end, when Fairview made a field goal, and won the game.

The curtain raiser was played between the second teams from the

two schools, and in this contest the New Salem team was victorious, winning by the close score of 10 to 8. Both games were fast and exciting and among the best ever witnessed on the New Salem floor. Roughness prevailed in both games.

REFUSE TO ACCEPT ROAD

Shelbyville, Ind., Dec. 23.—The Shelby County commissioners, in special session to take action on the Pfendler road in Moral Township, refused to accept the road in its present condition and ordered that the construction be completed according to the plans and specifications of the contract. Litigation over the Pfendler road has been the cause of considerable discussion here.

The dance announced by the Knights of Pythias for Christmas night has been called off because it was found impossible to get the music which was to be engaged.

Invitations have been issued for the Psi Iota Xi Dance at Dalmberg Hall at Greensburg, December 26. Music will be provided by the Carmichael orchestra of Bloomington.

Mrs. John Jordan will entertain the members of her Sunday school class of the Methodist church tonight at 7:30 o'clock at her home in North Main street. All the members are urged to be present.

Miss Helen Scudder's Sunday school class of the St. Paul's M. E. church was entertained at the home of Miss Scudder last evening in West Second street. During the business session the class donated \$5.00 to the Daily Republican-Salvation Army Christmas fund. Following this session a Christmas party was enjoyed, during which presents were exchanged. Fifteen members were present.

A number of friends and neighbors

hours delightfully surprised Mr. and Mrs. W. F. Frow of Homer in honor of their twenty-fifth wedding anniversary. Saturday evening. Many pretty and useful presents were received. The evening was pleasantly spent with music and games. A light luncheon was served late in the evening. Those present were Mr. and Mrs. Alba Hurst, Mr. and Mrs. Scott Fair, Mr. and Mrs. D. M. Dearing, Mr. and Mrs. Scott Fair, Mr. and Mrs. D. M. Dearing, Mr. and Mrs. J. W. Arbuckle, Mr. and Mrs. Emmons Hurst and family, Mrs. Roy Carr, Mr. and Mrs. Ed Shafer, Mr. and Mrs. Frow, Ciel Dearing, Wade Fair, Robert and Vida Frow.

The following news item from the Herald, at Joplin, Mo., will be of interest here:

"Miss Agnes M. Hale, 614 Jackson avenue, announced her engagement to Cecil L. Clark, at a party given Thursday evening. The rooms were handsomely decorated in blue and white crepe ribbon festoonings, and vases of white carnations. The announcement was cleverly made from a miniature playhouse, lighted with white candles, within which was placed a ring, a kewpie, and the written announcement which read: 'This will announce the engagement of Agnes M. Hale to Cecil L. Clark'. Each guest was given a false key, while Miss Hale held the real key which locked the house, until she opened it to read the announcement. In a contest the prizes were awarded to Misses Neva Lea, Eunice Carter and Elva Pike. The announcement of the engagement

MINISTER WANTS TO HELP

It is only natural that one who has been relieved from suffering should feel grateful and want to help others. Rev. W. F. M. Swyndole, 815 Elm St., Macon, Ga., writes: "My kidneys gave me much trouble before I took Foley Kidney Pills. My sleep is not disturbed now and my back seems to have gotten completely well. I am ready at any time to speak a word for Foley Kidney Pills." Why suffer from aches and pains, sore muscles, stiff joints, or sleep disturbing bladder trouble when you can procure such a good remedy. F. B. Johnson.—(Adv.) 5

Why your choice will be the All-Record Playing Instrumentized

The Instrumentized Tone Throat—the triumph of the Dalton, embodying the scientific principles of instrument acoustics, applied through deft skill of hand workers. Their careful, individual shaping of the long-seasoned wood is not factory work, but the prideful touch of the real instrument maker. Its result is the tone inimitable of the Dalton.

Orchestra Shell-Tone Chamber—This is the amplifier that makes the tone "carry." Here, in this all wood sounding chamber, shaped as scientifically as an orchestra shell, the Dalton gets its wonderful resonance and clarity.

Meters—Two and three-spring, according to size of instrument. Long running, easy-winding and guaranteed against spring breakage.

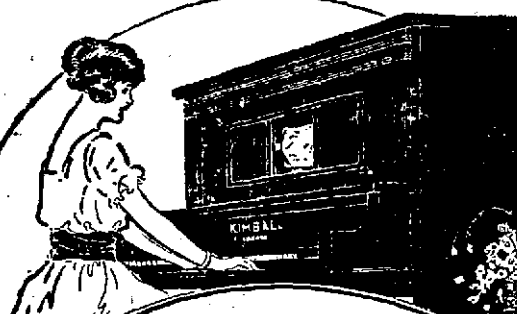

Volume Regulation—An inconspicuous adjustment at the side of the cabinet suits the volume of sound to the room without affecting its true-to-note quality. Its effect is of distance, not a throttle or muffler.

Record Self-Stop—Automatically halts the disc at the last note of the record.

Cabinet Work—Selected wood, specially treated to give permanence to acoustic qualities, and its delicate grain brought out with the richest skill of the finisher's art.

The Auto-File—Makes the misplacement or confusion of records impossible. It is a remarkable device with its more-than-human carefulness for your record.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heat the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcine into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcine in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

is the dentifrice that contains the properties recommended as ideal by United States Army dental surgeons

SWISS REPUBLIC RESENTS PLOT

In This Country It is Worth the Same as Before The War and is Mecca For Speculators

FOREIGN MARKET NO GOOD

Swiss Government Pays Market Value of Foreign Exchanges and Some One Loses

By HENRY WOOD
(U. P. Staff Correspondent.)

Berne, Switzerland. (By Mail)—As a result of the war turning topsy-turvy the world's basis of values, especially in the matter of foreign exchange, Switzerland has become the seat of the most fantastic finance the world has yet seen.

By not having participated in the war, Switzerland's financial, industrial and economic condition at the present time is one to be envied—no matter how much the Swiss themselves may deplore it. Especially as the result of not having contracted any war debts or expenditures and of not having made any unlimited issues of paper currency with which to tide over the war period, Swiss currency has remained almost unaffected by the crisis of foreign exchange and the depreciation of currencies from which all the belligerents are now severely suffering.

Five francs of Swiss money today are worth just about \$1 the same as they were before the war, where from eight to ten or twenty francs of other countries are necessary to purchase a single greenback of the minimum denomination.

As a consequence Switzerland, the only country in Central Europe which retains something of its normal financial standing, has become a sort of an oasis in a desert of financial disaster. It is a sort of clearing house, or solid financial rock where the bewildered people of other countries can come for the time being and get their financial balance readjusted and their sense of values reestablished before embarking on new financial enterprises.

The resulting operations are often weird and fantastic to the extreme degree, resembling something in unexpectedness the high finance adventures of America and yet always with a different note. These financial Odysseys happen by the score in Switzerland daily. Here are a few that will give some idea of what they are like and some idea of central Europe's shipwreck.

Recently a Czechoslovak deputy had occasion to come down to Switzerland for a few weeks to take care of a number of important affairs concerning that ambitious but financeless republic. To meet his expenses on the trip he brought with him 30,000 Czechoslovak crowns, the nominal value of which is about the same as a Swiss franc.

However, with the money of his own country exceedingly depreciated by the war and the lack of any solid standing to date of the new republic, the deputy was obliged to change his 30,000 native crowns into only 10,000 Swiss francs.

The deputy stayed at Berne for about two months stopping, as his position rendered necessary, at the principal hotel in the city, the

prices at which have not been decreased by the war, and paying his expenses out of his 10,000 Swiss francs.

Eventually, however, his business was completed and he was ready to return to Prague. He paid off what he still owed in Berne out of the original 10,000 Swiss francs and then what was still left he had changed into Czechoslovak crowns.

But in the two months which he had been at Berne, Czechoslovak currency had gone down further with the result that when he got what was left of his original 10,000 Swiss francs changed back into his native currency, he received a total of 42,000 Czechoslovak crowns more than the original 30,000.

Here is another—and which is a matter of official record.

Several months ago a company was organized at Berne for launching a big illustrated political weekly magazine at Vienna. Swiss capitalists who had made a fortune out of the war and Switzerland's neutrality backed the enterprise and paid up the capital in advance, namely 600,000 Swiss francs.

The total amount was deposited

in a Berne bank to be changed into Austrian crowns for meeting the expenses of the new magazine at Vienna as soon as the latter could be launched.

In the meantime the prospective editors, publishers and business managers began meeting with considerable difficulty in getting the machinery together for the plant in making sure of an adequate supply of paper, etc.

Foreign exchange on Austrian money has since decreased to such an extent that the 600,000 Swiss francs now on deposit in the Berne bank will bring 20,000 more Austrian crowns than at the moment they were paid in for launching the magazine.

This is believed to be the only case on record where a magazine or newspaper has made money by not publishing—or in any event has made more money than it could possibly hope to make by actually doing business. And the longer it keeps from starting up, the more money it makes in Austrian

Santa Claus Letters

Dear Santa: Please bring me a watch, an air-gun, a book of "Ridley's Child Rhymes" and some candy, nuts and oranges.

Your friend
HUBERT MOORE

Dear Santa: I thought I would write you and tell you what I would like for Christmas. I am a little girl nine years old. I want a string of beads, a set of china dishes, with plates, a black tie to wear with my middy and two gold pins, a pair of garters, candy, nuts, oranges and don't forget my little brother 19 months old. He wants a little wagon, a new pair of shoes and anything else you think would be nice for him and please bring lots of sweet chocolate candy. He is very fond of them.

Your little friends,
MARY AGNES and JOHN THOMAS COYNE

Dear Santa Claus: I am a little boy eight years old. I would like to have a sweater, a pair of gloves, a sled, a ball, a black board, a pair of rubber boots, also some candy, nuts and oranges. Please bring something nice for Wava and my little cousins William and Loren.

Your little boy,
RUSSELL W. LOGAN

Dear Santa Claus: I am a little girl six years old and I try to be a good girl sometimes. Please bring me a drawing book, some pencils, a box of crayons, a teddy bear, some books, a little doll like Bonnie Jean's that I can dress, some handkerchiefs and candy, nuts and fruit.

Your little girl,
FRANCES ELOISE BEALE

Dear Santa Claus: I am a little girl seven years old. I go to Beach Grove school. My teacher's name is Edith Montgomery. I like her very much. Please bring me a new doll, a ring, some books, and Lowell wants a train and an automobile, and Iris wants a doll and don't forget my tiny sister Lenetta Ruth. She would like a doll too.

Goodbye Santa Claus.
NORMA CALLAHAN

P. S. Bring all the good girls and boys something nice too.

Dear Santa Claus: I am a little boy six years old. I would like for you to bring me a wagon, train on track, black board and chalk, candy nuts and oranges and bananas. Please do not forget my brother. He wants a fountain pen.

Yours truly,
HERMAN HELLIGOSS

Dear Santa: I am a little boy five years old. I have been sick with scarlet fever and have been in the house a whole month. Santa I would like for you to bring me a little automobile, steam engine, box of tin soldiers and some paints and don't forget the candy and good things to eat.

Your little friend,
MAURICE EARL MOORE

Dear Santa: I see so many letters in the Daily Republican from the boys and girls that it makes me think I am about to miss something. So I want to write a letter. I am a big boy six years old. I go to Jackson school. This is my first year. I am in class 1B and the first thing I want to ask you will you please be nice to Miss Waite, my teacher? She is real nice to all her boys and girls and I just like her too! I would like to have a conister wagon and a little cook stove so I can learn to cook and don't forget to put in a set of dishes and the nuts and candy. Remember my baby brother, he wants to get in on this. He is three years old. He is a fine fellow alright. Santa please visit everyone who is sick. Many thanks to you Santa and this little donation is for the Christmas fund. but don't tell how much.

HOWARD WALKER
614 W. Ninth St.

The Greatest Service to the Greatest Number

THUS, in seven words, is epitomized the ideals of service animating the seven men who direct the activities of the Standard Oil Company (Indiana). Maximum service is the only foundation upon which Big Business may rest securely.

It is this ideal which has impelled the Company to ceaseless effort in multiplying the number of products produced from crude petroleum, each to fulfill a definite, useful service—not to the few, but to humanity.

Only private initiative and enterprise, willing to hazard time, money, ingenuity, and effort to gain a promising but uncertain benefit, could have developed the many products manufactured by the Standard Oil Company (Indiana) for the service of the people.

In the conduct of its business, the Standard Oil Company (Indiana) always has recognized the four fundamental interests in all industry—capital, labor, management, and the public.

Because of this, and because it has striven to prepare every product as nearly perfect as ingenuity, integrity and earnest effort can make it, this Company has been able to approximate its ideal of the greatest service to the greatest number.

Standard Oil Company

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Fint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are heavily rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcine mixed with eucalypti, they would make a big step toward eradicating this country would be abolished. It's really no joke for people who don't know about this simple recipe to be constantly sniffing and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcine—that's all you need and after you have mixed it with enough boiled water to make a pint gargle the throat twice daily and snuff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

Seneca is the dentifrice that contains the properties recommended as ideal by United States Army Dental Surgeons

ARRIVES FROM OVERSEAS

Mrs. A. J. Cox received a telegram from her son, Albert Cox, yesterday, stating that he had landed in the United States and that he was now at Camp Dix, New Jersey.

se. Mr. Cox has been connected

with the United States mail service at Paris. He is expected home in a few days to spend a short furlough with home folks.

Electric Light and Power for Happy Farm Life

For Dependable Service Install The Silent ALAMO

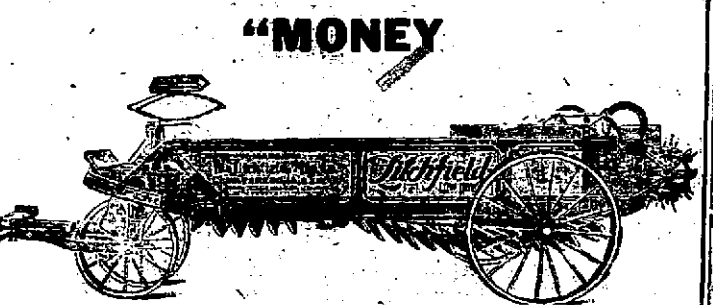

Everybody knows the advantages of electric light and electric power. Everybody wants this modern day convenience. The big question is "What plant shall I select?"
Take our advice. Select the plant that's silent—the plant that's free from terrific vibration—the plant that won't quickly shake itself to pieces. Install the wonderful Silent Alamo.

No Vibration—No Noise

In the Silent Alamo there is no noise—due to the quiet operation of the 1dc Super Silent Motor with the rotating sleeve-valve. There's no severe vibration—due to scientific balancing of weight.
Thousands of farmers as well as staid old engineer experts have been amazed by this silent plant. Come in and see a demonstration. Learn why the Silent Alamo assures years of service.

C. O. Williams

Silent Alamo Dealer New Salem, Ind.

MAKES THE MARE GO

It takes oil to make the machinery go—right. It takes oil to make machinery last. Many a good machine has never been recognized simply because of a poor oiling system. Drop in and see the "Rushville Special" Spreader and let me show you what elaborate effort and tireless energy have been absorbed in making this machine almost fool proof when it comes to oiling.

Efforts have been made to produce bearings that would not require oil, but without entire success. The railroad companies, in building their freight and passenger cars, and the Litchfield Mfg. Co. in building the "Rushville Special" Spreader have come about as near it as seems possible. The main bearings of my spreader carry an oil chamber on the under-side, packed with waste which feeds the oil against the axle like a wick feeds kerosene to the blaze in a lamp. The weight and all the main driving power in a spreader must be sustained by the main rear bearings, and this oiling is most important. These bearings are known as self-oiling bearings.

The "Rushville Special" Spreader is equipped with hard oil cups at all lubricating points, except these self-oiling bearings. Each oiling arrangement is so devised that it will stand much abuse and mis-use, and hold weather. Of course, this machine needs oil, but not an expert to apply it.

Buy this machine now. Don't starve your land for the sake of an uncertain, possible saving in some other manner. It doesn't pay. The "Rushville Special" Spreader will make its cost back for you while you are looking around. Come in and let me prove it.

ONLY FEW DAYS LEFT TO BUY 1919 STAMPS

R. E. Springsteen Congratulates Indiana People on Wonderful Record They Have Made

"BABY BONDS" ISSUED JAN.

(By United Press.)
Indianapolis, Ind., Dec. 23—Robert E. Springsteen, advisory chairman for the thrift movement in Indiana, today issued a statement reminding citizens of Indiana that they have only a few days left in which to invest in thrift and war savings stamps of the 1919 issue. New stamps will be available at postoffices and banks on Jan. 1, he said, and these will be redeemable on Jan. 1, 1925. The 1919 stamps are redeemable on Jan. 1, 1925. The 1919 stamps are redeemable on Jan. 1, 1924.

"At this time I wish to congratulate the people of the state," said Springsteen's statement, "on the wonderful record of thrift they have made during the year 1919.

"Indiana has throughout the year led the Seventh Federal Reserve district in per capita investments in stamps. This record has been made without the aid of artificial stimulation, such as contests, sales by school children, etc.

"January 1 will see a new issue of 'baby bonds' and I hope that the thrift habit cultivated in the last two years will grow. Meantime people who are still short of their 1919 maximum should hurry for the 1919 stamps will not be available for investment after December 31."

\$10,000 OFFERED FOR 3 BEST SUGGESTIONS

This Sum Will be Awarded For Republican Party Platforms Submitted in Contest

IS GIVEN BY TRUXTUN BEALE.

New York, Dec. 23—Through the republican national committee, Truxtun Beale, former United States minister to Persia and an ardent republican, offers cash prizes aggregating \$10,000 for the best platform suggestions by young republicans in the country.

His offer has been formally accepted by Chairman Will H. Hays, of the National Committee, and the contest will open at once and close March 31, 1920.

A first prize of \$6,000 will be given for the best manuscript received; \$3,000 for the second best and \$1,000 for the third.

Manuscripts are limited to 6,000 words and must be addressed to Walker Blaine Beale Contest, Division of Young Voters, Republican National Committee, 923 Woodward Building, Washington, D. C. Four typewritten copies must be submitted, one only of the number being signed.

WHISKEY IN COFFEE CANS

William Riat, Confessed to Transporting Liquor to Kentucky

Evansville, Ind., Dec. 23—William Riat, 21, didn't see why the passing of old Bacchus should interfere with his flowing bowl; so he collected 107 gallons of hard liquor in St. Louis and started toward Henderson, Kentucky.

But the police booze squad of this city discovered his whiskey in coffee cans at Louisville and Nashville railroad station.

Riat confessed and was to appear before United States Commissioner O. T. Hull here today for hearing.

STEEL BARGES TO BE USED

New Fleet Will Appear on Mississippi River to Carry Oil

New Orleans, Dec. 23—New Orleans soon will be the home port for a new fleet of all-steel barges, designed to carry miscellaneous cargo and bulk oil on the Mississippi river.

These barges, now being constructed by the American Bridge company of Pittsburgh, will have a capacity of 2,000 tons of freight each on a draft of eight feet. One barge will be equal to forty ordinary freight cars in carrying capacity.

It is intended that barges of this type will be towed in groups of six by a twin-screw steel tunnel towboat.

FINAL CONFERENCE HELD

Indianapolis, Ind., Dec. 23—The final district conference on rural education was opened here today under the auspices of the State Department of Public Instruction. The meeting is the last of a series of conferences which have been held in all congressional districts.
